Yacht & ocean cruise collection

2026 & 2027

This is just the most amazing holiday. Enjoyed every minute. Every island visited outdid the previous one, all of them having just that distinguishing little something. The yacht Corona was beautiful. It was perfect. The friendliness of the crew and their attention to every detail was second to none.

Let’s explore together...

If the call of the open sea is hard to ignore, perhaps it’s time to cast off on one of our ocean cruises. From exclusively chartered yacht voyages and iconic tall ships to exhilarating expedition cruises and more, there’s something to suit every traveller.

Picture gliding across the azure Adriatic by a yacht cruise along Croatia’s captivating coast, dropping anchor in historic cities and sun-drenched islands, with guided tours included and ample time to wander at your own pace. With a maximum of just 38 guests and a guest-to-crew ratio of 4:1, you’re guaranteed exceptional service and an intimate experience.

Or maybe it’s a tall ship cruise onboard a classic clipper which evokes the nostalgia of the nautical golden age as you sail the Mediterranean, visiting countries such as Italy, Greece, Turkey and Malta. On a tall ship, the journey is absolutely as important as the destinations. If you’re feeling adventurous, you can experience a view like no other by climbing the mast to the crow’s nest to get a sailor’s view of the world, or even try your hand at raising the sails alongside the crew. Nothing compares to seeing the sails unfurl and catching the wind.

For a different type of adventure, there’s our Voyage to the Arctic & Svalbard which is all about nature’s beauty with dramatic snowcapped peaks, vast glaciers, serene fjords and elusive Arctic wildlife; or our cruise to Alaska, part of our Grand Journey on Canada’s Rocky Mountaineer and Alaskan Cruise.

Wherever and however you decide to travel, our itineraries have been crafted to ensure you’re seeing the best that each destination has to offer, and we have Cruise Directors or Tour Managers looking after you throughout so that you can simply enjoy the journey.

Bosnia & Herzegovina

Richly complex, Bosnia & Herzegovina reveals a meeting point of cultures, faiths and histories. Walk Ottoman bridges, hear church bells and calls to prayer, and sip coffee alongside locals. Defined by resilience and warmth, it's a destination best understood at a gentle pace through its cities, landscapes and stories.

Life on board

Our yachts offer a comfortable and welcoming setting for your journey. Life on board is relaxed and informal, so you can simply settle in and enjoy sailing. And with an impressive 4:1 guest to crew ratio, you can expect attentive, personal service. You'll never want to go home.

It goes without saying that you'll be starting the day right with a delicious breakfast, and it's a real event as you'll be eating as you sail the Adriatic's turquoise waters, staying close to shore so that you get glorious coastal vistas. While away the minutes with a lazy morning on the sun deck, letting the lapping waves slowly wake you up.

Next, it's time to drop anchor in a tranquil deserted bay. You may even be able to convince yourself that this is your own private yacht, as you jump (or gently step) off the back of the ship for a refreshing swim. Back on board, there's more relaxation with unreal views on the menu as you tuck in to a delicious lunch, chatting with your fellow cruisers about what lies in store at the next port of call.

Speaking of ports, when you arrive, you'll hop ashore and instantly be immersed in Croatian culture and history. The cobbled streets and honey-coloured buildings add another layer of magic and are just perfect for getting lost in. Find hole-in-the-wall eateries serving up gelato and pastries, browse the little shops filled with curiosities, then find a spot to sip an aperitif as the sun goes down. Then, as we're sure you've worked up quite an appetite by now, you'll find a restaurant of your choice, then top off the evening with your favourite nightcap on the ship's terrace.

Kravice Falls

DAY 8 – Dubrovnik, Kravice Falls & Mostar
This morning, we'll bid farewell to our crew, disembarking MV Felicita and heading inland, across the border and into Bosnia and Herzegovina. One of the most beautiful natural sites in the country, Kravice waterfalls is located on the Trebižat River. The falls stand about 25 metres high with 20 waterfalls cascading into the lake below. Enjoy a visit here to admire the crystal waters and lush surroundings. Continuing on, we'll visit a local winery for a tasting that includes local prosciutto and cheese, followed by a traditional lunch. This afternoon, we will arrive at the city of Mostar. We'll enjoy a short, guided tour this afternoon, absorbing the sights and sounds of this atmospheric place, admiring the mix of centuries-old Turkish architecture, jostling alongside fine 19th-century buildings. What stories these cobbled streets could tell as you wander ancient alleyways, where artisans fashion metalwork in tucked-away workshops as they have done for centuries. (B,L)
Included Experiences – A visit to Kravice waterfalls, a visit to a winery with prosciutto and cheese tasting, and a guided tour of Mostar

DAY 9 – Sarajevo
We'll explore the capital of Bosnia and Herzegovina. Sarajevo brings together a wealth of history and culture. Situated in a valley with a river running through its centre and surrounded by forests on all sides, the city seems like it's been plucked from the pages of a fairytale. On our guided tour this morning, we'll see the Sebilj Brunnen Fountain and Gazi Husrev-beg Mosque. Built in 1530, it's the largest in Sarajevo Centre. We'll see the spectacular City Hall built in pseudo-Moorish style between 1892 to 1894. After our morning tour, there'll be free time for lunch. The cobbled streets of the old town, or Bascarsij, are the perfect place to soak up a slice of local life with a cup of Bosnian coffee. We'll then visit the Tunnel of Hope Museum to learn more about the history of Sarajevo and the site itself. Built during 1992 to 96, when Sarajevo was surrounded by Bosnian Serb forces and supported by the Yugoslav's People's Army, the Tunnel of Hope was the city's only link to the outside world. It was thanks to the 800m-long, 1m-wide, 1.6m-high tunnel between two houses on opposite sides of the airport runway that the besieged city of Sarajevo regained access to just enough food and electricity to survive, and by the end of the war, it also housed telephone lines and oil supplies. Later, we'll return to Mostar and spend the evening at leisure. (B)
Included Experience – Full-day tour of Sarajevo, including a visit to the Tunnel of Hope Museum

DAY 10 – Trebinje and Dubrovnik
On our way out of Mostar, we'll make a short stop at a local Turkish coffee house, evidence of the long-standing influence of Ottoman rule in the region, for a tasting. Coffee has been a part of life here since the 16th century, as coffee houses became social centres where people gathered to talk, listen to music or play games — a tradition still practised today. Continue on to Trebinje, situated on the banks of the Trebišnjica River in the heart of East Herzegovina. Our local guide will introduce us to this enchanting town with a compact centre, including a small walled town and market square. Enjoy some free time for lunch, browse the local stores or dabble in a spot of people watching at one of the many pavement cafes. Later, we transfer to Dubrovnik for your final night's stay and enjoy a farewell drink and dinner at the hotel. (B, D)
Included Experiences – Visits to a Turkish coffee house, plus a guided tour of Trebinje

DAY 11 – Return home (B)

DAY 8 – Krka Waterfalls

After breakfast, we'll bid farewell to our crew as we disembark MS Il Mare and drive inland to the Krka Valley. Home to an impressive sequence of lakes, where water cascades dramatically from one to the next via steep interlocking waterfalls. Minerals dissolved in the water trigger stunning colour changes, from turquoise to azure blue, and from vibrant green to steely grey. With reflections of the majestic surrounding peaks and luxuriant forests rippling on lake surfaces, it's impossible not to be awestruck. The valley in its entirety has been awarded national park status, and we will visit part of this exquisitely beautiful area on this morning's tour. We'll also witness one of the river's most dramatic stretches – several waterfalls tumbling into one broad, shallow pool. We'll return to Split this afternoon and spend the rest of the day at leisure, checking into our hotel for the next two nights in this fascinating city.

Included Experience – A guided visit to Krka Waterfalls

DAY 9 – Omis, Makarska & Split

Today we'll enjoy a tour to Makarska and the popular Biokovo Skywalk. Beginning with a short stop at the small coastal town of Omis, dominated by the 13th century Mirabela Fortress and the Fortica Fortress, we'll continue to the Biokovo Skywalk. Located at 1,228m above sea level in Biokovo Nature Park, the Skywalk is the first in Croatia, offering incredible views over the sea and islands. On a clear day, as you step onto the glass walkway, you might see all the way to Italy! After numerous opportunities to take some stunning photos for the folks back home, enjoy some free time in the nearby resort of Makarska, a cosmopolitan seaside town with an attractive promenade before returning to Split. You'll have the rest of the afternoon to enjoy this vibrant city at your own pace. Perhaps you'll opt for a slow walk to the beach, explore one of the centuries-old cathedrals or browse the local markets. You may just choose to soak up the vibrant atmosphere and enjoy a spot of people watching in one of the numerous cafés in the Old Town or, for ocean views, head to the harbourfront. This evening, perhaps savour a final glass of Plavac Mali with your traditional dinner to mark your last evening in Croatia. (B)

Tall ship cruises

Tall ships have a way of stirring the imagination. Sails unfurl, ropes tighten and suddenly, the modern world feels far away. Days unfold on deck with wide sea views, good conversation and the quiet satisfaction of travelling as sailors have for generations, carried by wind and tide.

Greece

Few places reward exploration quite like the Greek islands. Whitewashed villages tumble to sapphire seas, ancient temples watch over lively harbours and every port has its own character. From the history of Athens to the charm of Corfu and the buzz of Mykonos, Greece is a timeless blend of myth, beauty and warm hospitality.

Turkey

Turkey is a place where continents, cultures and centuries meet. In Istanbul, grand mosques and bustling bazaars sit beside the Bosphorus, while ancient Ephesus reveals the splendour of the classical world. Between them lies a land rich in colour, flavour and history. Every visit here feels like stepping into another fascinating chapter.

Italy

Well-loved Italy has a gift for turning every journey into something memorable. Perhaps it's the golden light on Venetian canals, the drama of Taormina's clifftop views or the easy elegance of Sorrento. Wherever you go, history, scenery and culture combine to create a holiday that feels unmistakably Italian.

Life on board

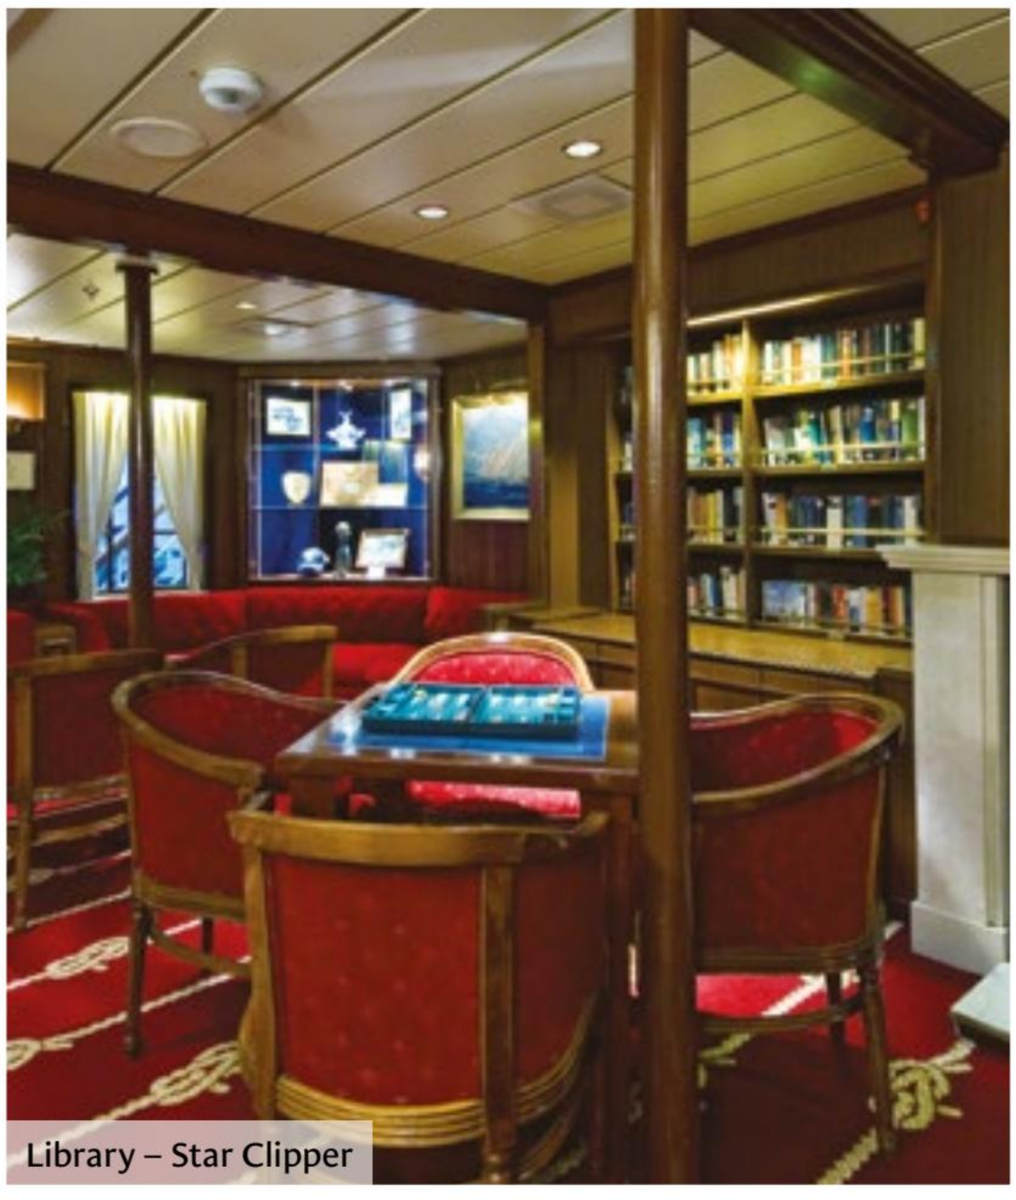

Reset, recharge, renew. It's time to slow the pace, hold the news and let the good times roll. Step into the romance of the nautical golden age on a tall ship cruise to discover the unbridled joy of being at sea, all without compromising on your creature comforts.

Restaurant – Royal Clipper

For a real authentic sailing experience, you can't get better than the Royal Clipper, Star Clipper and Star Flyer. These ships are truly exquisite. From the immaculate sun deck where sun loungers beckon for a spot of sun worshipping, to the well-appointed cabins where you can create a stylish home-from-home, you're surrounded by beauty. And that's before we've even mentioned the natural beauty of the azure waters and rugged coastline that steals the scene at every turn. Add to that the dramatic raising of the sails whilst a pod of young dolphins dance in the bow wave of the ship, and you'd be forgiven for thinking this was a dream.

Star Flyer

Library – Star Clipper

Despite all of this chicness, life on board is beautifully informal, so you can unwind and really make yourself at home. You'll find every ship is remarkably spacious and cleverly designed so that you'll always be able to find places to enjoy your own company and a quiet moment to yourself to listen to the waves lapping on the hull or watch a memorable sunset. Catch up on some reading in the gentile ambience of the ship's library with its wood panelling and elegant upholstery, unwind in the comfort of your beautiful cabin or just drink in the sea air and panoramic views up on deck with a long drink from the Tropical Bar and let your cares drift away.

Let's not forget the culinary pleasures that await in the ship's restaurant. For early risers there's tea, coffee and fruit juices available from the bar, with a hot and cold breakfast buffet plus fruits and freshly baked bread and pastries, creating a delicious pick and mix. But if that doesn't tickle your fancy, there's also an omelette station that will serve eggs just the way you like them. Lunch comes in the form of a buffet with plenty of options, but don't forget to leave room for the tempting desserts. However, the highlight of the day is without a doubt dinner. This is where you'll sit at a private table with crisp linens and fine silverware to create a fine dining experience that feels like a real treat, especially when you combine it with attentive service from your crew. If, after all that indulgence, you want some more moments of pleasure, you can join your fellow travellers in the piano bar for your favourite after-dinner tipple.

Your exquisite tall ship

It’s hard not to be charmed at the old-school glamour of our tall ships. They’re the kind of ships that demand attention when docked quayside, drawing in admiring glances. It’s a unique experience to climb aboard a classic vessel like this, and even more special to sail on one.

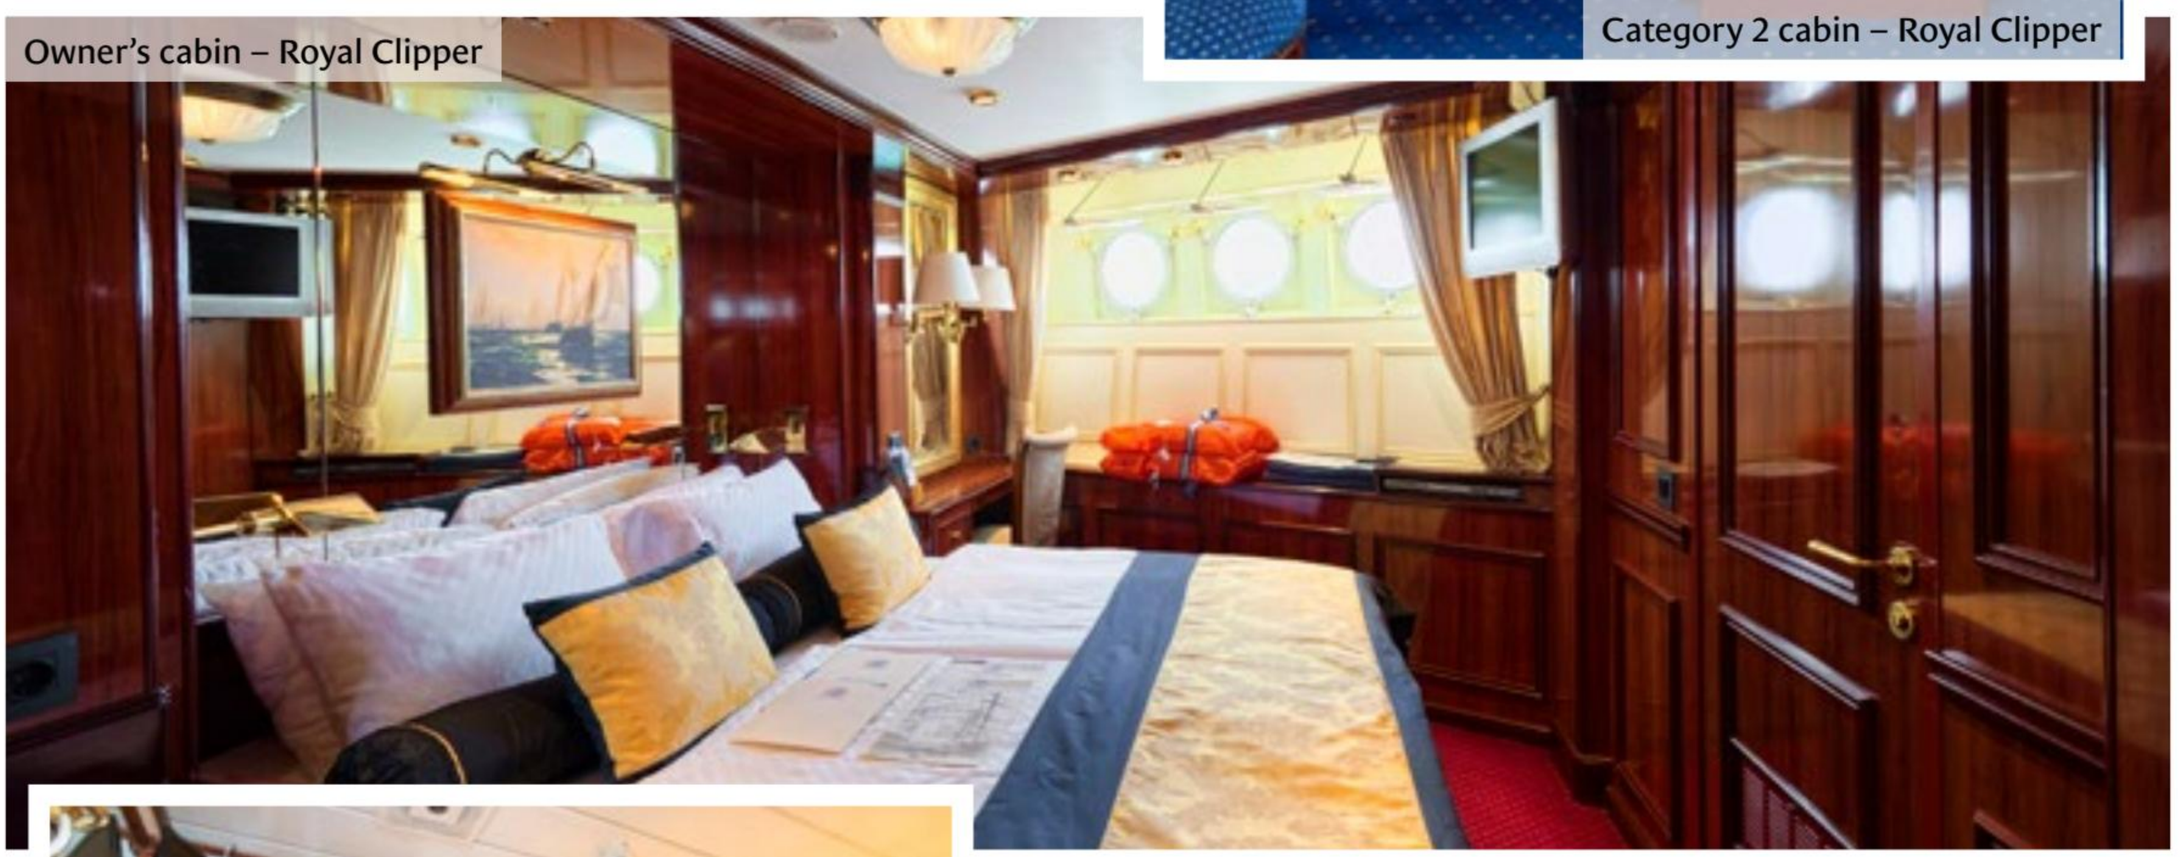

Your cabin

Kick off your shoes, take in the views and settle in for a comfortable stay. You might be a long way from home but our airy cabins, elegantly designed and beautifully appointed with extra special touches, will be your haven as you cast off for new adventures

When off on an adventure on the Big Blue, you might be a long way from home – that's sort of the point – but we know it's still important to have those home comforts. Take your pick from our range of refined cabins and suites located across various decks, all elegantly designed. Suites are reminiscent of a sailing golden age, some with a private veranda, perfect for a chilled aperitif or enjoying a morning coffee as the sun comes up; while cabins are furnished to create an authentic and traditional sailing experience.

Epidaurus Theatre

Your Itinerary

DAY 1 – Arrival in Athens
Arrive in Athens and check into your hotel.

DAY 2 – Athens
We'll begin our exploration in earnest this morning with a tour of the Greek capital, including the famous Acropolis – the most striking and complete ancient Greek monument complex still in existence. Sitting atop the Acropolis is the Parthenon, an ancient religious temple the Athenians built for the Greek goddess Athena. Its white marble columns and perfect symmetry dominate the skyline as we ascend the hill. Continuing to the old district of Plaka, you can explore independently and enjoy some free time for lunch, before travelling to Piraeus to board Star Flyer. (B,D)
Included Experiences –Guided tour of Athens and the Acropolis

DAY 3 – Nafplion
After a leisurely morning on board, we'll arrive at the port of Nafplion. From Nafplion, we head to Epidaurus on our guided tour. Unlike the Acropolis in Athens or the Greek remains in Sicily - which seems designed to make a bold statement for miles around - Epidaurus hides itself away, almost seductively, enticing you to discover the ruins for yourself. It's so well hidden that it was only rediscovered and excavated a century ago. Buried in a hillside and set amongst dense perfumed groves of trees, we'll see the site of a shrine devoted to Aesculapius, the Greek god of Medicine as well as a 14,000-seat theatre. (B,L,D)
Included Experience – Guided tour of Epidaurus and visit to Nafplion

DAY 4 – Monemvasia
Explore the labyrinth of cobblestone streets of Monemvasia, passing medieval buildings and artisan shops, boutiques, cafés and restaurants of the lower town. Known as the "Gibraltar of the East", it was once described by Greek poet - and famous Monemvasian - Yannis Ritsos as a "stone ship". Its vast bulk juts out of the mountainous coastline of the Peloponnese. The town reached its peak in the Medieval period with a population of 40,000 when it was known for its excellent wine - legend has it that Richard III's brother died in a vat of it. (B,L,D)
Included Experiences – Visit to Monemvasia

DAY 5 – Pylos
In mythology, Pylos was the home of the son of Poseidon, Neleus and his son Nestor – a leader in the Trojan Wars. Our tour takes us to the ruins of Nestor's Palace, a well-preserved Mycenaean palace. Although it was destroyed by fire, it's still considered to be one of the best-preserved Mycenaean palaces in Greece. As if the views of the coastline here weren't impressive enough, hundreds of clay tablets bearing inscriptions were found with a rare text - known as Linear B - at the site, preserving knowledge almost lost to the fire. (B,L,D)
Included Experience – Guided tour of Nestor's Palace and visit to Pylos

DAY 6 – At sea
Experience life at sea today with a full day on board. Relax on the Sun Deck, peruse the library, take a dip in the salt-water pools and swap stories with fellow explorers – the day is yours. (B,L,D)

DAY 7 – Taormina
Situated on a rocky headland over 800 feet above the sweeping coastline, Taormina is renowned for its medieval charm, verdant gardens and its greatest claim to fame - the theatre. A legacy of the ancient Greeks wonderfully preserved and still in use today, it has a panoramic view of Etna, Europe's highest volcano, as its natural backdrop! We'll explore Taormina's streets, lined by designer boutiques and jewellers, and tiny side streets, some of which are so narrow you can touch both sides at once. (B,L,D)
Included Experience – Guided tour of Taormina

Pylos

DAY 8 – Syracuse
Called "the greatest and most beautiful of all Grecian cities" by Cicero, Syracuse is a place where centuries of history sit side by side. We'll wander its maze of narrow streets, woven between Greek, Roman and Baroque architecture, before exploring the remarkable Neapolis Archaeological Park - home to the ancient Greek theatre, atmospheric stone quarries and the Ear of Dionysius, a towering limestone cavern said to resemble the inside of a giant's ear. (B,L,D)
Included Experience – Guided tour of Syracuse

DAY 9 – Gozo
Today, we'll tour the island of Gozo and visit two UNESCO-protected prehistoric Ġgantija temples. In the capital, Victoria, we'll see the citadel – so big you can see it from all over the island. (B,L,D)
Included Experience – Guided tour of Gozo

DAY 10 – Valletta
Disembark Star Flyer in Valletta for a guided tour of the city's highlights. Then continue to Mdina, the 'Silent City' for a walk through its narrow streets within the fortifications. (B)
Included Experience – Guided tour of Valletta and Mdina

DAY 11 – Return home
Time to bid farewell to new-found friends as you head to the airport for your flight home. (B)

Ponza

Your Itinerary

DAY 1 – Arrival in Italy
Arrive in Rome or Perugia and transfer to your hotel on the outskirts of Perugia for a two-night stay.

DAY 2 – Assisi & Perugia
This morning, we'll head for Assisi, dominated by a vast Basilica, to learn more about St Francis on a guided tour. We'll learn how St Francis came to be so highly revered in Italy, from his early life as the spoilt son of a silk merchant, to his renouncement of riches and founding of the Franciscan Order of monks. Then, we'll take a guided tour of the university city of Perugia, along Corso Pietro Vannucci to the Piazza IV Novembre. (B)
Included Experience – Guided tours of Assisi and Perugia

DAY 3 – Orvieto & Embarkation
This morning, we'll visit Orvieto, whose ancient ruins lie in an eerie underground cave. With the city built from the precipitous chunk of volcanic rock on which it sits, Orvieto looks almost at one with the red-hued rock – although the cathedral is a stand-out feature. After a ride up the tree-lined funicular tracks to the old town, we marvel at the intricate façade of this incredible Gothic building. Later we drive to Civitavecchia to board the superb Star Clipper and settle in. (B,D)
Included Experience – Guided tour of Orvieto

DAY 4 – At sea
It's a day at sea, so perhaps read on a sun lounger then cool off in the pools. Or you could visit the bridge or climb up to the crow's nest (with harness!) for exceptional views. (B,L,D)

DAY 5 – Lipari & Stromboli
Anchoring off Lipari, we go ashore to Marina Corta for a walking tour of the old town. Perched high above is its mighty castle. You can also join an optional cruise to see the volcanic landscape of Vulcano Island. As we sail past Stromboli this evening, look out for its frequent volcanic fireworks against the night sky. (B,L,D)
Included Experience – Guided walking tour of Lipari

DAY 6 – Messina
We'll drive along a coast fringed with pine forests, citrus and olive groves to Taormina. Perched on a rocky headland over 800 feet above the glittering sea, you can't fail to be enchanted by this lovely town. Here speciality food shops sell fresh pasta, olives and Marsala wine. Taormina's greatest claim to fame though, is its ancient Greek amphitheatre, possibly the most well-located in the world, with the horse-shoe shaped rows of seats overlooking the sea and Mount Etna in the distance – quite a backdrop! We'll also see the famous Palazzo Corvaja, an impressive medieval palace. (B,L,D)
Included Experience – Guided tour of Taormina and visit to Messina

DAY 7 – Amalfi
Anchoring in Amalfi this afternoon, we'll take a boat ride to Positano to wander its hidden alleys and browse its boutiques. The iconic 1950's movie La Dolce Vita, catapulted this sleepy traditional fishing village to stardom, turning it into an exclusive holiday retreat and haunt of celebrities. Then return to Amalfi by boat to explore this UNESCO World Heritage site clinging precariously to the cliffs. Alternatively join our optional visit to Ravello with its 13th-century cathedral and Villa Rufolo. (B,L,D)
Included Experience – Visits to Amalfi and Positano

DAY 8 – Sorrento
We'll drive to Pompeii for a guided tour which highlights its astonishing state of preservation – streets, temples, baths and even the amphitheatre remain largely intact. Plaster was poured into empty spaces in the lava to make body casts of some of the victims. Much of our knowledge about the Roman way of life, their habits, social structure, class system and domestic arrangements have come from the discoveries at Pompeii. Then we return to Sorrento for free time to enjoy its luxury shops and cosy restaurants. (B,L,D)
Included Experience – Guided tour of Pompeii and visit to Sorrento

DAY 9 – Ponza
Ponza is the largest of the Pontine islands in this archipelago of volcanic humps sprouting from the depths of the Tyrrhenian Sea. Legend dictates it was once the home of the sorceress Circe who famously seduced Ulysses. Inhabited since Neolithic times, the Phoenicians and Greeks built a fortified citadel in Ponza and the Romans built a magnificent aqueduct, as well as temples. (B,L,D)
Included Experience – Visit to Ponza

DAY 10 – Disembarkation & Rome
We disembark and transfer to Rome for a guided tour. The Roman Colosseum, Pantheon, Roman Forum, the iconic Trevi Fountain; the Eternal City is home to all this and more. (B)
Included Experience – Guided tour of Rome

DAY 11 – Return flight
Head to the airport for your flight home. (B)

& Alaska Cruise

Spanning towering snow-capped peaks, vast pristine wilderness and remarkable glacial landscapes, this unforgettable journey through the Canadian Rockies and along Alaska's otherworldly Inside Passage reveals some of the world's most spectacular scenery, extraordinary wildlife and once-in-a-lifetime experiences. Icefields

Your Itinerary

DAY 1 – Arrival in Calgary
Arrive at the airport for your flight to Calgary.

DAY 2 – Calgary
After breakfast, we begin the first chapter of our remarkable journey, leaving Calgary behind and travelling westward across Alberta's gentle prairies. As the landscape begins to rise, the first outline of the Rocky Mountains gradually appears on the horizon — slate-grey ridges brushed with snow, their peaks emerging like dramatic sentinels above the plains. Few sights in the world compare with this initial approach to the Rockies, and the excitement builds as the terrain becomes increasingly rugged, forested and wild. Arriving in Banff, one of Canada's most beloved mountain towns, we check into our hotel for a three-night stay. With the remainder of the day at leisure, you might wish to take a gentle stroll down Banff Avenue, lined with boutique shops, cafés and restaurants. Set against a backdrop of towering peaks, even a simple wander feels like stepping into a postcard. Or simply relax at your hotel and breathe in the crisp mountain air - a wonderful introduction to the days of natural splendour ahead.
Included experience – Tour of Calgary

DAY 3 – Banff Today features one of the most extraordinary scenic journeys on Earth. Setting out early, we travel along the Icefields Parkway, a breathtaking route stretching between Banff and Jasper National Parks. Regarded as one of the world's great mountain highways, the parkway offers uninterrupted vistas of glittering glaciers, dense pine forests, and rugged, soaring summits. Our first stop is Lake Louise, famed for its strikingly turquoise waters set beneath the dramatic Victoria Glacier. Enclosed entirely by mountainous amphitheatre, Lake Louise is one of the most photographed locations in Canada - for good reason. You'll have time to wander the lakeshore, capture the iconic views, or simply stand in awe of this pristine environment. We then continue to the dazzling Peyto Lake, whose uniquely vibrant blue colour is caused by light reflecting off glacial silt suspended in the water. Surrounded by sweeping viewpoints and sheer mountain cliffs, Peyto Lake is a highlight for photographers and nature lovers alike. The day's crown jewel is the vast Columbia Icefield, the largest in the Rockies and one of the most accessible icefields in the world. Covering over 200 square miles and reaching thicknesses of more than 1,000 feet, it is a powerful reminder of the geological forces that shaped the region. Weather permitting, we board a specialised Snocoach to journey directly onto the Athabasca Glacier. Here, you'll be able to step out onto ancient ice, peer into crevasses, and truly appreciate the immense scale of this natural wonder. We return to Banff in the late afternoon, filled with memories of some of Canada's most iconic landscapes.
Included Experience – Travel on the Icefields Parkway

Lake Louise

Alaska

Locals love Cascade Ponds for dips, lakeside lounging and superb views of Cascade Mountain

DAY 4 – Free day in Banff
Today is yours to enjoy Banff and its surrounding beauty at your own pace. You may choose a leisurely float trip on the Bow River, where smooth glacial waters carry you past peaceful forested shores and glimpses of local wildlife. Alternatively, indulge in a soothing soak at the Banff Upper Hot Springs, whose naturally heated mineral waters have been attracting visitors for over a century. For those seeking higher vistas, a helicopter sightseeing tour offers a bird's-eye panorama of the Rockies' deepest valleys and highest peaks. Or take the iconic Banff Gondola to the summit of Sulphur Mountain. From 7,500 feet, panoramic boardwalks lead to incredible viewpoints, and there's a restaurant where you can enjoy lunch or coffee with one of the finest views in the area. For a more indulgent afternoon, consider visiting the majestic Fairmont Banff Springs Hotel, designed in the style of a grand Scottish baronial castle. Afternoon tea here is a cherished tradition - a perfect blend of luxury and Alpine wonder.

DAY 5 – Rocky Mountaineer train
Today we begin an unforgettable adventure aboard the legendary Rocky Mountaineer, one of the world's greatest train journeys. After boarding, you'll settle into your comfortable reclining seats, designed with generous legroom and oversized panoramic windows to ensure nothing obstructs your view. The train travels westward, following the Bow River valley as it traces its way through mountain corridors. Soon we approach Kicking Horse Pass, crossing the Continental Divide — the geographical point where waters flow either to the Pacific or the Atlantic. One of the day's key highlights is passing through the fascinating Spiral Tunnels. These ingenious, corkscrew-shaped tunnels were carved into the mountainsides over a century ago to safely reduce the steep gradients of this rugged landscape. Watching the Rocky Mountaineer navigate these spirals is a striking example of human engineering meeting natural grandeur. As we continue along the Columbia River, we cross the dramatic Stoney Creek Bridge, a 500-foot steel span suspended high above a deep valley — an unforgettable sight. Throughout the journey, knowledgeable hosts provide commentary on the region's geology, wildlife, First Nations history and the ambitious endeavour of building the transcontinental railway. SilverLeaf Service includes delicious hot meals served at your seat, along with snacks, non-alcoholic drinks, beer, and house wine with lunch. Those wishing to upgrade to GoldLeaf Service can enjoy bi-level dome carriages offering even more elevated viewing. (B,L)
Included Experience – Journey on the Rocky Mountaineer train

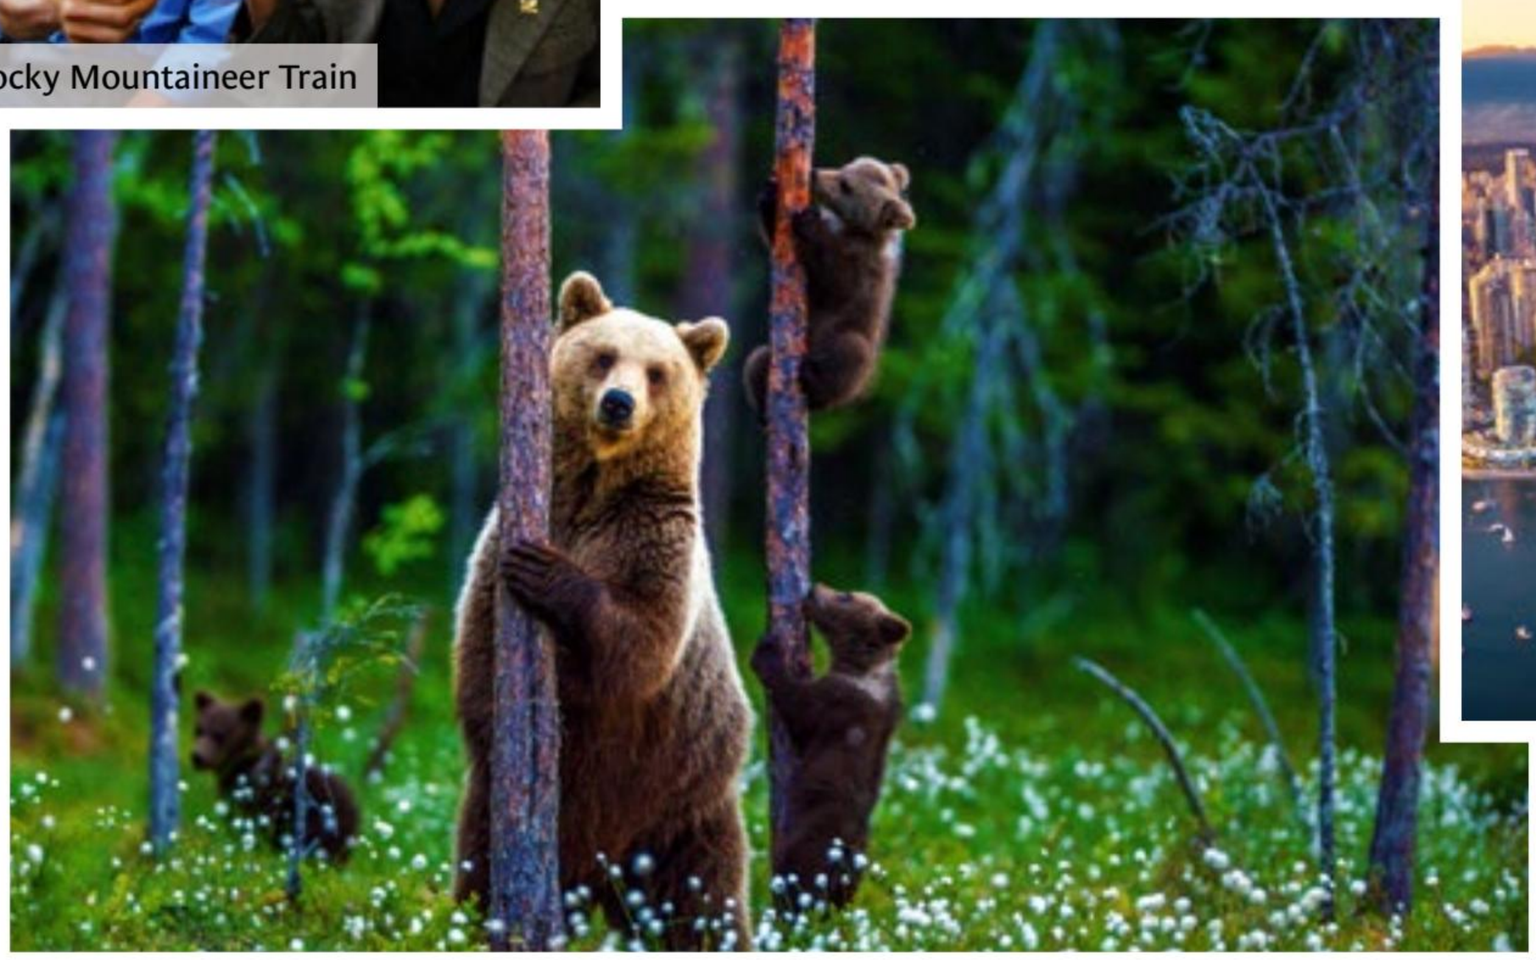

DAY 6 – Vancouver
Our second day aboard the Rocky Mountaineer brings yet another feast of scenery. We travel through the dramatic Fraser and Thomson River canyons, landscapes shaped by centuries of rushing waters carving through bedrock. Along the route we pass evocatively named landmarks such as Jaws of Death Gorge, Avalanche Alley, and the roaring Hell's Gate Canyon. We follow the path of historic gold prospectors, early settlers, and railway pioneers as the landscape shifts from rugged mountains to fertile valleys and eventually the coastal lowlands. The contrast of environments - from wild canyon country to lush, greenery-framed waterways - makes today's journey deeply memorable. We arrive in Vancouver in the afternoon, completing our 585-mile rail experience across Western Canada. (B,L)
Included Experience – Journey on the Rocky Mountaineer train

DAY 7 – Vancouver
Consistently ranked among the world's most beautiful cities, Vancouver blends ocean, forest, and mountain scenery with modern city sophistication. This morning's guided tour introduces you to the city's highlights, including the vast Stanley Park, a thousand-acre oasis of woodland trails, scenic viewpoints, and its renowned collection of First Nations totem poles. At Prospect Point, Vancouver's harbour and the distant Coastal Mountains create a breathtaking panorama - a perfect setting for photos. The afternoon is free for you to explore at your own leisure. Wander the lively waterfront promenade or walk the popular Seawall trail, eventually arriving at English Bay where sandy beaches and inviting cafés create a relaxed coastal atmosphere. Vancouver's diverse neighbourhoods are full of character, from historic Gastown to vibrant Granville Island - ideal places to explore, shop or enjoy dinner.
Included Experience – Tour of Vancouver

DAY 8 – Embark Koningsdam
This morning, those joining the Holland America Line cruise embark the elegant Koningsdam. Check-in begins at 11:30am, and cabins are usually available from around 1pm. Once aboard, take time to settle into your cabin, explore the ship's stylish lounges, restaurants, and decks, or relax with lunch as you anticipate the adventures ahead. At 5pm, the ship sets sail beneath Vancouver's iconic Lion's Gate Bridge, the city skyline receding as we travel north toward British Columbia's deeply forested channels. Completed in 1938, the bridge spans the entrance to Vancouver Harbour and was originally financed by the Guinness family, who sought to stimulate development of the surrounding coastline - an intriguing detail as you glide beneath its elegant Art Deco towers. (L, D)

DAY 9 – At sea
Today we enjoy the serene beauty of the legendary Inside Passage, a protected coastal route threading between islands, fjords, and remote shorelines. The scenery is endlessly

Rocky Mountaineer Train

captivating - misty mountains rising straight from the water, dense rainforests covering the slopes, and the possibility of spotting bald eagles or humpback whales. On board, you may choose from a wide variety of talks or simply enjoy relaxing with a book or a drink while watching the coastline drift by. Tonight is the first formal evening of the cruise - a wonderful opportunity to dress up and enjoy the ship's fine dining. (B, L,D)

DAY 10 – Juneau

This morning, we cruise toward Tracy Arm Inlet, a spectacular fjord known for its towering granite walls and glittering twin Sawyer Glaciers. If conditions allow, optional excursions will take you closer to these immense river-like ice formations, where you'll drift past floating icebergs and have the chance to spot seals resting on the ice. After lunch, we arrive in Juneau, Alaska's capital. Despite its political importance, Juneau is only accessible by sea or air - a testament to Alaska's rugged character. A wide range of optional excursions is available, from helicopter flights to remote glaciers, complete with husky sledding, to whale-watching cruises in Auke Bay. Cultural experiences, salmon bakes, kayaking, and gentle nature hikes offer something for every preference. (B, L,D)

DAY 11 – Skagway

Early this morning, we dock in Skagway, a town rich with Gold Rush history. Wooden boardwalks, restored shopfronts and vintage saloons evoke the 1890s, when hopeful prospectors passed through en route to the Klondike. You'll have a full day here to explore. Among the most popular excursions is the White Pass and Yukon Route Railway, an astonishing narrow-gauge railway created during the height of the Gold Rush. Travelling in restored vintage carriages, you'll ascend steep gradients and travel through deep wilderness, complete with cascading waterfalls and glacier-fed lakes. Other options include helicopter tours over vast icy landscapes or nature walks offering incredible scenery and peaceful solitude. Alaska's sense of untouched wilderness is extraordinary - a quiet, pristine world where wildlife thrives and human presence is minimal. (B, L,D)

DAY 12 – Glacier Bay

Today is one of the cruise's absolute highlights as we glide into Glacier Bay National Park, a UNESCO World Heritage Site and one of the most spectacular glacier regions on Earth. With eight actively calving glaciers, Glacier Bay offers one awe-inspiring sight after another. Towering mountains, some over 10,000 feet high, frame the fjord. The nutrient-rich waters attract humpback whales, sea otters, and seals, while the surrounding forests and valleys are home to bears, moose, and wolves. National Park Service rangers join the ship to provide commentary throughout the day, enhancing your understanding of this remarkable ecosystem. Although we do not dock, the ship manoeuvres to give excellent vantage points for photography and glacier viewing. (B,L,D)

Included Experience – Visit to Glacier Bay National Park

DAY 13 – Ketchikan

After a morning at sea, we arrive in Ketchikan, a characterful town known as the "salmon capital of the world" and famous for its vibrant Native Alaskan culture. Optional excursions include scenic seaplane flights into the dreamy Misty Fjords National Monument, where sheer granite cliffs rise vertically from glassy waters. Alternatively, head into the wild expanses of the Tongass National Forest, the largest temperate rainforest on Earth, where bears may be seen fishing for salmon in clear, rushing rivers. Other options include sea kayaking, crab feasts, fishing trips, or exhilarating ziplining adventures through the forest canopy. Whether you seek tranquillity or excitement, Ketchikan delivers unforgettable experiences. (B,L,D)

DAY 14 – At sea

Our final full day at sea offers a relaxing return journey through the Inside Passage. Enjoy the ship's facilities, reflect on your Alaskan adventure, or capture final photographs of remote coastlines, passing islands and rugged peaks. As you glide through this legendary network of sheltered waterways, you'll witness a maze of forest-clad fjords, mirror-smooth channels and wildlife-rich shores that have guided travellers, traders, and Indigenous communities for thousands of years. Keep watch for whales, sea lions and soaring eagles as the ship traces this historic maritime route, celebrated as one of North America's most beautiful stretches of coastline. (B,L,D)

DAY 15 – Return flight

Say goodbye to your crew as we disembark the ship, then head to Granville Island – a vibrant shipping district known for its indoor market. You'll have time to browse the shops and enjoy lunch at your leisure before transferring to the airport. (B)
